

Outdoor Worship Guidelines with COVID-19 Restrictions:

1. Bring a chair.
2. Remember social distancing, 6 ft apart, and sit in family units. Please no hand shaking; instead greet each other with a smile, and a heart filled with God's love.
3. Please walk around west side of church to the outdoor worship space on the north side. If walking on the grass is a problem, we invite you to walk through the church to the northside door. There is limited parking space on 3rd street; please reserve those spots for those would need it.
4. Communion will be handed out in the parking lot by the ushers. Trash cans will be available for throwing away empty containers at the end of the service.
5. You can drop your offering in the noisy offering bucket in the parking lot with the ushers.

In case of rain, the service will be canceled. We will notify you by email and website. If you do not feel comfortable joining us in person Saturday at the outdoor worship, we invite you to join us on Sunday morning by Livestream at 9:30am.
